

## BRIONE CTX MID O2 WR HRO SRC

Art. No. 67.777.0

**Upper:** high-quality greased full leather

**Plus:** functional lining with breathable and water resistant COA.TEX<sup>®</sup> membrane, closed dust tongue, smooth-running D-ring lacing

**Lining:** breathable functional lining

**Footbed:** anatomically formed comfit<sup>®</sup> AIR footbed

**Sole:** XTS TRAIL - high quality, 300°C heat and slip resistant, rubber outsole with IMPULSE.FOAM<sup>®</sup> midsole or optimal cushioning, stability and comfort

**Colour:** brown

**Sizes:** 36 - 47

### SLIP RESISTANT XTS TRAIL SOLE

The easy-to-clean rubber outsole ensures perfect contact with the ground. It is non-slip and abrasion-proof and heat-resistant up to 300°C (HRO). The specially designed cleat profile and the wide flex grooves guarantee optimal flexion, optimize the water-displacing properties (windshield wiper effect) and provide a secure hold on a wide variety of surfaces.

### COA.TEX<sup>®</sup> MEMBRANE

The durable, water resistant and windproof high-tech membrane is particularly breathable and protects the foot from waterlogging through a microporous fabric structure. The membrane transports sweat and moisture to the outside. What remains is a pleasantly dry and comfortable foot feeling.

### IMPULSE.FOAM<sup>®</sup> midsole

Ultimate comfort during long working days. The innovative IMPULSE.FOAM<sup>®</sup> midsole in two different densities reacts to each of your steps with an energy impulse. Thereby the IMPULSE.FOAM<sup>®</sup> does not only return the energy, but also provides maximum cushioning and excellent stability.
