

Oganesson

Clear AS

Hellberg Oganesson safety glasses is setting the standard for light weight combined with high wearer comfort. The metal free and frameless design safety glasses are equipped with Anti-Scratch coating and is available in 2 lens colors to suite various applications. The slim temple shape makes it ideal for use in combination with hearing protection, minimizing any negative attenuation effect.

Art no. 27016-091 (industry pack)

Features

Clear Lens

Clear lens for all indoor applications ensuring the highest optical class. Protect against UVA UVB (99,99%) and has good color recognition. Suitable for General work, Machine operation, Lab works, Construction, Workshop applications.

Anti-Scratch Coating

Protects both sides of the lens against surface scratching increasing the lifespan of the eyewear.

Light Weight Design

The lightest safety glasses in our range and one of the lightest on the market. Comfortable to wear all day long, almost without noticing it.

Ideal for Use in Combination with Hearing Protection

The slim temple design minimizes any leakage to the hearing protectors ear cushions, retaining a good seal between cushion and the face with very little noise attenuation loss.
