

Geminus

Blue Polarized

Geminus is a highly comfortable full frame safety spectacle with dual lenses that provides a sporty look for the style-conscious wearer. Geminus is available in various lens types with features such as Polarized glare protection or Anti-Scratch and Anti-Fog Endurance coating, for optimal protection against impact, glare and UV rays.

Art no. 28832-001

Features

Polarized Lens

The polarized lens enhances contrast and reduces glare from reflective surfaces such as water, sand, snow, metal and wet asphalt.

Blue Mirror Lens

The Blue mirror coated lens protect against UVA-UVB (99,99%) light and deflect sunlight, reduces glare and enhances contrast more than a standard tinted lens. For use in sunny outdoors environments.

Anti-Scratch Coating

Protects both sides of the lens against surface scratching increasing the lifespan of the eyewear.

Anti-Fog Coating

Prevents both sides of the lens from fogging or steaming up when exposed to warm humid environments.

Integrated Side Shields

Side shields for enhanced protection are incorporated into the design of the spectacle frame, for a secure and undistorted view and field of vision.

Ideal for Use in Combination with Hearing Protection

The slim temple design minimizes any leakage to the hearing protectors ear cushions, retaining a good seal between cushion and the face with very little noise attenuation loss.

Approval Info

Eye and faceprotection marking: 5-3.1 HS 1FT N

EN standards approval: EN 166:2001, EN 172:1994

Environmental approvals: ROHS, REACH

Technical Data

Weight: 25 g

Light transmittance: 12 %
