- Sole: PU/rubber sole SCUFF CAPS EVO - 300°C heat resistant, slip-resistant on unsurfaced grounds, mud-releasing
- Colour: black
- Sizes: 38 - 48

RUBBER OUTSOLE SCUFF CAPS EVO

It is obvious that the heavy duty pattern of this hard-wearing, up to 300°C heat resistant HRO rubber outsole has been designed for optimum safety and performance, especially on unsecured grounds.

SCUFF CAP

Extra high scuff cap for wearers who kneel a lot during their work.

VOLUME PLUS⁴⁸

The special shape of the last provides more space to the small toes and the ball of the foot. This extra comfort is available up to size 48.

COA.TEX® MEMBRANE

The durable, water resistant and windproof high-tech membrane is particularly breathable and protects the foot from waterlogging through a microporous fabric structure. The membrane transports sweat and moisture to the outside. What remains is a pleasantly dry and comfortable foot feeling.
